

Dear Beloved SWAT Warriors and Friends,

We are excited to share with you how the Lord is leading the S.W.A.T. training boot camps. We will be focusing on “Mini-S.W.A.T.’s, which will be held in various locales. We are reaching out to the areas where local Pastors and leadership are seeking to learn about the affects of territorial spirits in their land and how to deal effectively with them. These Mini-S.W.A.T.’s will be approximately 3 days long, probably going from Thursday evenings to Saturday afternoons. We hope this will enable more Pastors and leaders to be part of the SWAT boot camp. After being introduced to the SWAT military style and learning what SWAT is about, the attendees can then enroll in a regular SWAT for one week or even the two week session. As in previous SWAT trainings, the first week of SWAT is the foundational teaching and the second week is the advanced training.

The regularly scheduled SWAT boot camps for March and October will be cancelled with the emphasis being on the upcoming June Camp. In the meantime, locations are being selected to hold the Mini-SWATs.

During the regularly scheduled March 5-17 SWAT, we will have a “work camp.” There is still a lot of work needed to finish up the new dormitory and we need your help! Please fill out the enclosed sheet and mail it to the Two Rivers Training Center if you want to be a part of this project or future projects of this kind. Your room and board will be provided during this time. It is not necessary to be here for the entire time, you may sign up for any length of time.

We believe all of these changes are going to bring increased order and structure to make a stronger foundation for the SWAT Boot Camps, which will support future growth.

We appreciate you and we need your support! Keep us in your prayers and if possible, come on out to the Work Camp in March!

Blessings upon you always,

S.W.A.T. Team
