### ON THE ROAD WITH DR. BIGPOND

Negiel and Jan Bigpond, Elizabeth Sherman, and Jeanne Allen traveled to the Navajo Nation in August. Dr. Bigpond ministered for three evenings at the 30<sup>th</sup> Annual Gospel Sing and Campmeeting in Red Mesa, Arizona, hosted by the wonderful Dee family. Many were healed after Dr. Bigpond told the people of the amazing miracles God has done through the years at this particular meeting. Elizabeth distributed an entire case of *Women Warriors* to men, women, and children. She, Jan, and Jeanne assisted Dr. Bigpond in praying for the people, and many were healed.

Dr. Bigpond ministered at Rick Joyner's Oak Initiative. He spoke of the importance of the passing of the Resolution of Apology to the Native Peoples, which will bring healing to our nation. The response was great. He also prayed and prophesied over land in Asheville, North Carolina.

### THE GATHERING PLACE Tulsa Television Program

The Holy Spirit gave Dr. Bigpond a vision to call forth and bring together the intercessors and prophets in Tulsa. Like many other cities in America, Tulsa is under terrible attack from the enemy. Statistics show our crime and divorce rates, for example, are double the national average. It is

time for the intercessors to come out of their closets and the prophets to come out from the wilderness to share what God is doing through them. That is what *The Gathering Place* is all about. Please pray about becoming a monthly sponsor or donating to this very important work.

### ORAL ROBERTS ENDORSES WOMEN WARRIORS

One week after Oral Roberts received a copy of *Women Warriors*, Dr. Bigpond received a handwritten letter from Brother Roberts, who said he had read the book *twice*. He wrote, "It's a 'super anointed' book, and I was blessed by it. Your life's experience told with fresh new insight opened new themes to me. Thank you, in Jesus' name."

### ON THE ROAD WITH DR. SWALLOW

You will want to know that the bone chips have successfully been removed from Dr. Swallow's foot and he is recovering supernaturally. He will be off of his foot for five more weeks, so pray for patience for him and Joan!

He and Dr. Benefield went to San Antonio in August to pray to break the drought. It rained the next day, it has been raining off and on since then, and rain is in the forecast today. Hallelujah!
