Two Rivers/Morning Star Report

DECEMBER 2004

Two Rivers Native American Training Center ~ Morning Star Church of All Nations

Be Ready for 2005!

A word from Apostle Negiel, "2005 is a Vital Year, in which the church begins to war in order to receive the plan of God to move in the market place, in the release of finances, and in church growth." It is very important to hear from the Lord and know what He is saying to you regarding His plans for 2005.

Journey to Ireland

On November 6th Apostle Negiel, along with Jacquie Tyree and Tammy Alsup, state coordinators, U.S.S.P.N., of Georgia and Tennessee, respectively, pastors, warriors, apostles, prophets and 35 intercessors embarked on this journey planned by Daphne Swelling. The purpose of the trip was to get to the root of the problem of the Native American people group, which has kept them from receiving Christ as they did years ago.

This led us to Andrew Jackson's parents' birthplace. A spirit of greed had come upon the land and Satan had used man to spread this disease across the land with people who had power to use it. The beautiful part of it was that the Irish and Scottish people were ready to deal with this and repent for allowing this spirit to flow to other lands.

This repentance was accomplished on one day in particular, The Day of Remembrance (likened to our Veteran's Day), where the whole country has a silent hour, on the 11th month, 11th day, and 11th hour.

Reconciliation was released, proclamations and declarations of God's word were shouted out. The Lord had Apostle Negiel line up all the people groups represented, Scottish, Irish, French, Spanish, British, Europeans, and Afro-Americans; he began to commission the people to spread the good news that they carry. This was beyond reconciliation. This is done after we repent or receive repentance. It was so powerful that it was necessary to have the apostles and the Native tribes represented stand with Brother Negiel as

this was done. The spirit that lorded over the Native people has been broken.

What does all of this mean? It means that you will be seeing more Native people coming back to Christ their King, the True Chief. Thank you for your prayers! ~Brother Negiel
